Catalyst Foundation is an inclusive, independent not-for-profit organisation empowering older people, communities and the care sector in SA through trusted information support and service connections.

Services we provide:

Care Finder Program - Aged Care Navigation

Aged Care Navigators help vulnerable older people who need intensive assistance to access aged care, and other supports in the community.

Telephone Information Service

Our telephone information service provides the community and sector with valuable information, and you'll be speaking directly with a real person.

Aged Care Sector Support

We provide training, education and practical support to CHSP providers and the aged care sector, to help them meet their obligations under the Aged Care Act and strengthened standards.

CARE FINDER PROGRAM

Aged Care Navigation

Aged Care Navigators help vulnerable older people who need intensive assistance to access aged care, and other supports in the community.

- Finding the supports you need to remain living independently can feel overwhelming!
- We can help you to understand what aged care services are available and help you connect to them.
- Assist you through the My Aged Care assessment process and find appropriate services available.
- We can contact My Aged Care with you to discuss your assessment and approvals.
- We can contact My Aged Care with you to discuss your assessment and approvals.
- You may be eligible for My Aged Care services if you are over 65, or over 50 for Aboriginal and Torres Strait Islander people.
