

MOUNT GAMBIER DAL REGIONAL EXPO EVENT REPORT 2025

14th March
Wulanda Recreation & Convention Centre

Event Overview

Our inaugural Mt Gambier Disability, Ageing & Lifestyle Expo was successfully held, **featuring 45 exhibitors and welcoming over 300 attendees** from the local community. The event provided a valuable platform for service providers, businesses, and community groups to connect with older individuals, people with disabilities, carers, and families seeking support and information.

The Wulanda Recreation & Convention Centre was a most fitting setting to host the DAL Expo. It was great to hear feedback from the community about the importance to have access to speak directly with the service providers.

Key Highlights

Exhibitor Engagement: The Expo attracted a diverse range of exhibitors, offering information, services, and products tailored to the needs of a wide audience.

Public Attendance: Over 300 visitors attended, engaging with exhibitors and gathering and learning about vital information about available support and services.
