

13th March Wulanda Recreation & Convention Centre

Event Overview

Bringing the Regional DAL Expo back to the Limestone Coast facilitated access to essential resources, innovative solutions, and personalised assistance to individuals, families, and carers in the region.

The second Mt. Gambier DAL Expo was successfully held, **featuring 37 exhibitors and welcoming over 350 attendees** from the local community. The event was officially opened by **Mayor Lynette Martin OAM** with the support of the **City of Mount Gambier**.

The Wulanda Recreation & Convention Centre was a most fitting setting to host the DAL Expo. It was great to hear feedback from the community about the importance to have access to speak directly with the service providers.

Key Highlights

Exhibitor Engagement: The Expo attracted a diverse range of exhibitors, offering information, services, and products tailored to the needs of a wide audience.

Public Attendance: Over 350 visitors attended (an increase from the previous year), engaging with exhibitors and gathering vital information regarding support and services.

MOUNT GAMBIER DAL REGIONAL EXPO EVENT REPORT 2026

Morning Tea Success: The morning tea was well-received, with all of the exhibitors participating, fostering networking and collaboration among industry professionals.

Community Impact: The event successfully increased awareness of disability and ageing services while providing attendees with direct access to resources and support.

Feedback & Key Learnings

Positive Response: Exhibitors and attendees said the event was well organised, accessible, and enabled good networking opportunities.

Engagement Opportunities: Exhibitors valued the chance to connect with other service providers and strengthen partnerships within the sector.

Future Considerations:

- Additional marketing awareness strategies and working with exhibitors to help spread the word to further boost public attendance.

The community and service providers have shown strong support for *Catalyst Foundation* to continue hosting the DAL Expo in Mount Gambier.
