Catalyst Foundation is a not-for-profit charity organisation and a leading provider of information to individuals, communities and the care sector in South Australia. We empower the older person to make informed decisions about positive ageing, by providing information and connections with services and programs.

We can help you with:

Telephone Information Service

Our free telephone information service provides the community and sector with valuable information, and you'll be speaking directly with a real person.

Information Resources

Our website features a comprehensive collection of factsheets and directories, providing users with accurate and up-to-date information.

Training & Education

We offer seminars and workshops tailored to both the community and professionals, focusing on key topics in aged care.

Care Finder Program - Aged Care Navigator

Aged Care Navigators help vulnerable older people who need intensive assistance to access aged care, and other supports in the community.

DAL Expo

South Australia's largest Disability, Ageing and Lifestyle Expo. The DAL is an iconic event held annually in Adelaide, with additional regional expos held across the state.

Faster download speeds mean less buffering where the buffering was caused by slow download speeds over the nbn Fixed Wireless network. Please note that the amount of buffering you experience may also be affected by other factors outside of nbn's control (like your Wi-Fi and other equipment configuration, chosen broadband plan, how your provider designs its network, or the video streaming and other content providers' network).
